Coaching & Consulting

Online Curriculum Resource Center

To further support success, ensure implementation with fidelity, and to improve accountability, each teacher will have access to download additional materials from our ever-growing Online Curriculum Resource Center.

***Provided with options 1-3 at no additional cost.**

Now MAKE A WAY program users can access additional curriculum support materials QUICKLY and EASILY...**ONLINE!**

Accountability and Reporting

Our organization values accountability. We believe it is the glue that keeps everything together. Part of the way we track improvements and hold all stakeholders accountable to high standards is through our robust reporting process.

Report

Process & Schedule

To ensure fidelity of implementation, a detailed report will be provided following each visit to your school. In addition to the interventions and services implemented, the report will contain next steps and any relevant data sets.

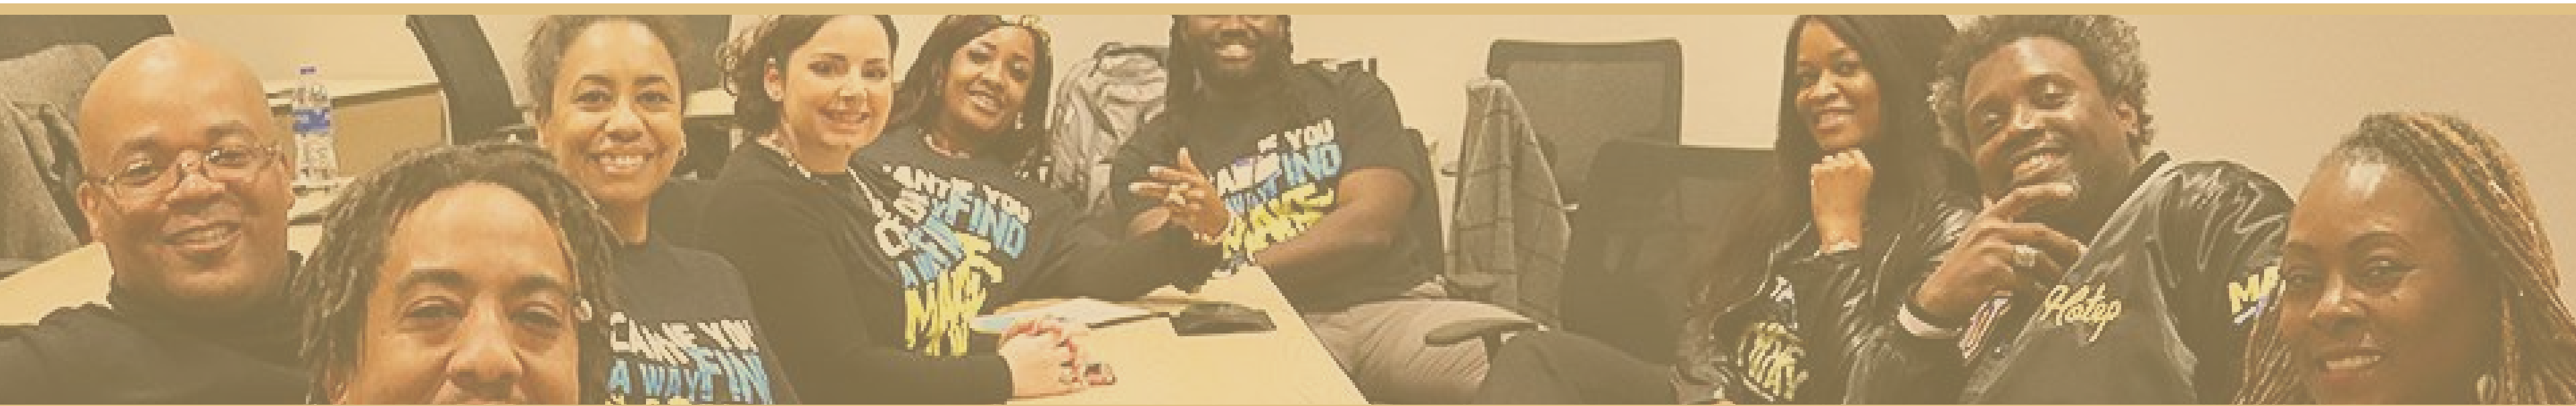

Curriculum Materials

At MAKE A WAY relevancy is our specialty. From SEL Card Games, girls empowerment, graphic novels, and teacher professional development books, we have an entire suite of materials relevant to k-12 organizations.
